Education

Indian Institute of Information Technology, Kota

B.Tech in Computer Science and Engineering

Courses: DSA, DBMS, Web Development, Operating System, DAA, OOPS

Kota, Rajasthan

Aug 2023 – Present

Projects

- **Portfolio:**   (July'25)
 - Designed and developed a fully responsive personal portfolio using **React.js**, **Tailwind CSS**, and **Vite**, showcasing work, skills, and a storytelling-based about section.
 - Implemented smooth **Framer Motion** animations, **EmailJS** contact form, and interactive hover/parallax effects.
 - Deployed on **Netlify** with optimized performance, dynamic routing via **React Router**, and accessibility features.
- **Resume Builder:**    (Jul'25)
 - Developed a full-stack **MERN** application that allows users to create, edit, preview, and download professional resumes with a sleek and intuitive interface.
 - Implemented user authentication, dynamic form rendering, and custom templates using **React.js**, **Express.js**, **MongoDB**, and **Node.js**.
 - Integrated **Netlify** (frontend) and **Render** (backend) for seamless deployment; designed with scalability and accessibility in mind.
 - Designed as a **SaaS-inspired** project to practice modular UI design, RESTful API development, and state-driven rendering in React.
- **Restaurant Website:**  (May'25)
 - Built a multi-page, animated restaurant website using **React.js**, **React Router**, and **AOS**, allowing users to explore dishes and prebook a table.
 - Designed a responsive and accessible layout with smooth same-page scrolling and tabbed menu navigation across categories like Lunch, Dinner, and Brunch.
 - Structured using reusable components and centralized content from a single **data.js** file for easy content updates and customization.

Skills

- **Programming Languages:** C, C++, Java, Python, JavaScript, SQL
- **Web Technologies:** HTML, CSS, Bootstrap, EJS, jQuery, Media Queries, APIs, DOM Manipulation
- **Tech & Frameworks:** React.js, Node.js, Express.js, MongoDB
- **UI/UX & Design:** User-flow Diagrams, Wireframing, Interactive Prototyping
- **Tools & Platforms:** Git, GitHub, VS Code, Figma, Canva, Linux, Bash, LaTeX
